The information contained in this website is for informational purposes only and in no way should be construed or interpreted as part of an offering or solicitation of securities. No securities commission or other regulatory authority in Canada or any other country or jurisdiction has in any way passed upon this information and no representation or warranty is made to that effect.

This website contains "forward-looking statements" as well as historical information. Forward-looking statements include, but are not limited to, opinions, expectations of future plans, assumptions and estimates. When used in this website, the words "anticipate," "believe," "estimate," "expect," "intent," "may," "project," "plan", "should" and similar expressions are intended to be among the statements that identify forward-looking statements. These forward-looking statements are subject to a wide range of risks and uncertainties, and although Taylor Hill believes that the expectations represented by such forward-looking statements are reasonable, there can be no assurance that such expectations will be realized. Any number of important factors could cause actual results to differ materially from those in the forward-looking statements including, but not limited to, the volatility of oil and gas prices, the ability to implement corporate strategies, the state of domestic capital markets, the ability to obtain financing, changes in oil and gas acquisition and drilling programs, operating risks, production rates, reserve estimates, changes in general economic conditions and other factors more fully described from time to time in the reports and filings made by Taylor Hill with securities regulatory authorities.
